

LPE GROUP PTY LTD - DISCLAIMER

If you require any further information, or have any questions about this disclaimer, please feel free to contact us by email at sales@lpegroup.com.au.

All the information provided on our website - www.lpegroup.com.au, and in our printed material are published in good faith and for general information purposes only. LPE GROUP does not make any warranties about the completeness, reliability and accuracy of this information. LPE GROUP will not be liable for any losses and/or damages in connection with the use of our website and or printed materials.

LPE reserves the right to make changes to its product range as deemed necessary without notice.

When the dimming of fixtures is required please be aware that due to the vast range of drivers controllers and operating tolerances in the marketplace, some irregularities may occur during the dimming cycle.

Hole cut out sizes are listed as the suggested maximum. The medium used to install fixtures into can affect the hole size required. It is the responsibility of the installer to check that the hole size used matches the requirement of the fixture.

All quotes provided should be checked for accuracy and or irregularities. LPE GROUP takes no responsibility for incorrect quantity take-offs or extended costs.

Delivery times quoted are approximate only, and are always subject to third party delays. This is particularly important to note during this era of Covid 19.
